Detroiters to Hold Card Party For Scholarship Fund, April 16

Greater-Detroit chapter's third annual card party to boost its St. Joseph's College scholarship fund will be held Thursday, April 16, at St. Anthony's parish cafeteria, according to Frank Novak, '32, chapter president.

Pastor of St. Anthony's parish is the Rev. Joseph S. Raible, C.P.P.S.

Minutes of chapter meetings show that the group has been many months in preparation of the affair, and a list of impressive prizes has been compiled.

Last year's chapter party at St. Anthony's was attended by more than 300 persons and boosted the organization's scholarship fund to near the thousand-dollar mark.

An added feature of the 1953 social is the publication of a program book. The chapter decided at a meeting in October to publish such a book in connection with the party as a means of raising funds through the sale of advertising space and of publicizing the college in the Detroit vicinity.

Early in February, each alumnus in the Detroit area received a letter from the Rev. Joseph F. Scheuer, '40, chapter moderator, appealing for cooperation in the selling of ad space and in the seeking of individual patrons for the program. The booklet is to be six inches by nine inches.

Included among the prizes so far are a card table and chairs, Revere movie camera, Gruen watches for both men and women, and others. All refreshments for the evening have been donated.

Ohioan Ordained For Youngstown

The Rev. Thomas I. Bissler, ex-'49, Kent, Ohio, was ordained for the diocese of Youngstown Feb. 28. The ordination took place in the Cathedral of St. Columba, Youngstown, with the Most Rev. Emmet M. Walsh, bishop of Youngstown, presiding.

Father Bissler celebrated his first Solemn High Mass Mar. 1 at St. Patrick's church, Kent, his home parish.

Father Bissler was graduated from St. Joseph's academy here in 1945. He attended the college for three years before entering St. Mary's seminary, Cleveland, where he completed his theological studies.

Father Bissler has two brothers who are alumni: Jerry, '41, and Richard, ex-'45, both of Kent.

Summer Retreats Planned for Campus

The Rev. Marcellus M. Dreiling will direct three lay week-end retreats this summer, it was recently announced. The retreats—two for men and one for women—will be held on campus in August.

The first week end for the services will be Aug. 7-9, during which time the men will take over the campus. They will have a further opportunity Aug. 28-30. The women's retreat will run from Aug. 21-23.

Scheduled as retreat master for all three is the Rev. Eugene Luckey, C.P.P.S., who is with the Precious Blood Mission Band.

Each retreat will begin Friday evening at 6:30 and will conclude Sunday at 4:30.

College to Award Academic Grants To Top Seniors

Twenty-seven thousand and four hundred dollars worth of academic scholarships will be awarded 30 high school seniors this year by St. Joseph's College.

These include ten tuition scholarships of \$1440 each, five honor scholarships of \$1000 each, five of \$800 each, and ten award scholarships of \$400 each. In each case, the amount is a four-year total. These awards will be given on the basis of rank in a competitive examination to be given at 17 designated centers during April.

Alumni are urged to co-operate in this program by influencing high school seniors to take the examination.

Seventeen Centers

These centers and the dates of the examinations are:

April 11: Marmion Military Academy, Aurora, Ill.; Mt. Carmel High School, Chicago; Cathedral Boys' High School, Springfield, Ill.; Central Catholic High School, Fort Wayne; St. Anthony High School, Detroit; and St. Joseph's College.

April 18: Fenwick High School Oak Park; Spalding Institute, Peoria, Ill.; Cathedral High School, Indianapolis; St. Rose High School, Lima, Ohio; and St. Joseph's College.

April 25: Leo High School, Chicago; Mater Dei High School, Evansville; Bishop Noll High School, Hammond; St. Mary High School, Akron, Ohio; St. Philip High School, Battle Creek, Mich.; and St. Joseph's College.

K of C Sponsor Grant

Also on the 18th, an examination will be given at St. Joseph's High School, Decatur, Ind., to determine the winner of the K of C scholarship sponsored by the Knights of Columbus Council No. 864 in Decatur.

This scholarship is for one year and covers the complete tuition, \$360. It is open to all high school senior boys in the parishes of St. Mary's, Decatur; St. Joseph's, Bluffton, Ind.; and St. Rose, Monroeville, Ind.

Five Band Scholarships

Five band scholarships will be given this year by the college Music Department, after auditions at four centers during April.

The scholarships are valued at \$800 each, and any high school senior boy is eligible for the awards. Audition requirements include the proper mailing of the application blank; the ability to play the scales most frequently used, tongued and slurred; and also the chromatic scales; the playing of a solo number from memory, a short finger study, and notes by sight; and the fulfillment of the college entrance requirements.

The auditions will be given on three consecutive Saturdays in April at two places, one of which will be, in all instances, St. Joseph's. April 11, Fort Wayne Central Catholic High School will be the other center; April 18, it will be Cathedral High School in Indianapolis; and April 25, Chicago's Leo High School will be the scene of auditions.

NOTICE!

Alumni are urged to be prompt in informing the Alumni Office of any change of address.

Announcement of the appointment came from Rome, from the prefect of the Sacred Congregation for the Propagation of the Faith.

Chicagoans Map Summer Plans

Cook County alumni chapter will hold a dance April 25 at the Greenwood club, 78th and Greenwood, Chicago, according to information from Chapter President Joseph W. McGrath, '51.

Mr. McGrath said also that Athletic Chairman Robert Horky, '50, has arranged three golf tournaments, dates of which have not as yet been announced. One of the tournaments is for alumni, another for alumni and their wives, and a third, the Brother Dave tournament, also for alumni and their wives.

Plans are also being formulated, with Emanuel Cannonito, '52, in charge, to have a number of Cook county alumni attend one of the week-end laymen's retreat on campus this summer. Mr. McGrath said the chapter is considering the latest retreat, Aug. 28-30.

Pvt. Donoghue attended Quigley seminary, Chicago, for three years before coming to St. Joseph's.

Rev. Edward J. Freiburger, '06

Father Frieburger was superintendent of St. Joseph's training school and orphanage, Lafayette, Ind., for almost 39 years. Although he had been ill for several years, his death, Jan 3, was unexpected.

Born near Fort Wayne, Father Freiburger attended school at Yoder and at St. Joseph's before completing his theological studies at Mount St. Mary's seminary, Norwood, Ohio. He was ordained in 1912 in Immaculate Conception cathedral, Fort Wayne, and served at St. Mary's parish, Decatur, Ind., before his appointment to the orphanage in 1914. Burial was at Yoder.

Rev. Leo C. Vogt, C.P.P.S., '18

Father Vogt, of the Precious Blood Mission Band, died Feb. 19 in the Mission House in New Cumberland, Pa., after having returned from a mission at Fort Recovery, Ohio.

Ordained at Carthage in 1924, he served for eight years at St. Mark's Parish, Cincinnati. After a year at Catholic university, Father Vogt was assigned to the Mission Band, in which, except for 20 months as rector of Brunnerdale seminary, Canton, Ohio, he worked until his death.

Rev. Albert W. Scheiber, '26

Father Scheiber died Feb. 26 in Columbus, Ohio, at the home of his sister. He had been in ill health for a long period.

A native of Tiffin, Ohio, Father Scheiber was ordained for the Toledo diocese in 1932. His first assignments were to New Bavaria Sacred Heart, Fostoria St. Wendelin, Toledo Sacred Heart, and Findlay St. Michael. In 1942 he became chaplain of St. Rita hospital, Lima, serving also as pastor of the Bluffton mission. After a period of sick leave he served at Assumption St. Mary and Put-in-Bay Mother of Sorrows.

Rev. Francis X. Hermiller, '18

Father Hermiller died Feb. 15 at the home of relatives in his native Glandorf, Ohio, and was buried in the St. John parish cemetery there.

After ordination in 1924 he served at Toledo St. Agnes until 1926, then at Ottoville Immaculate Conception until 1929. Assigned pastor of Millersville St. Mary parish in 1929, he served there until 1943. He was pastor of Galion St. Joseph parish from 1943 until his death.

Rev. Henry P. Waechter, '03

Father Waechter, pastor of Toledo St. Michael parish since 1933, died Feb. 12 and was buried in St. Bernard parish cemetery at his native New Washington, Ohio.

Ordained in 1908, Father Waechter served as assistant at Fremont St. Joseph and in 1909 was appointed pastor at Van Wert. He went to Blakeslee in 1912, where he built a rectory and organized the Montpelier mission. In 1917 he went to Assumption and in 1933 to Toledo St. Michael.

Dr. Raymond J. Schraff, Sr., '14

The alumni office learned recently of the death of Dr. Raymond J. Schraff, Sr., of Cleveland. Dr. Schraff was buried from Our Lady of the Angels church in Cleveland.

Dr. Schraff had been incapacitated since last spring. His son, Dr. Albert G. Schraff, '42, stationed at Crile Veterans hospital, Cleveland, had been carrying on his father's practice. Also surviving is Raymond Jr., '42, who is with the Republic Steel corporation in Cleveland.

Alumni Quickies

A recent visit by Ed Fischer, '34, former newscaster, who is now professor at Notre Dame University, proved most enjoyable. With a nostalgic gleam in his eye and his well-remembered chuckle, Ed reminded us of former days when together we viewed scholastic and post-scholastic activities from a point of vantage in the Ad Bldg. . . . **Father Joseph Scheuer**, '40, who is on leave for higher studies at Fordham University, recently managed to dash out a letter between three-hour examination periods, of which he is both on the giving and receiving ends. He continues to act as moderator of his Detroit alumni chapter, and also conducted St. Joseph's part in a national population poll again this year . . . Through the kindness of **James "Monk" Shay**, ex-'28, grating was provided for making an unloading platform at the local postoffice. We are inviting alumni to test the capacity of this postal annex with mail to the alumni office. **Father Ildephonse Rapp**, '99, after a walking-stick examination of the new landing gear, with "Doctuh Cnrry" finality, advised: "You better get a patent on that." . . . **Edward A. Wagner**, ex-'32, is employed by the South Wanatah Grain and Lumber Company in the old home town . . . **James Noll**, ex-'52, on army duty in Okinawa, is kept busy in the legal section. Jim hopes to obtain his discharge in time to return to the Puma grid next fall and finish his senior year . . . **Rev. John P. O'Connor**, '20, was transferred early in January from St. Martin's parish, Brown County, Ind., to the pastorate at St. Michael's, Cincinnati . . . **William J. Luley**, ex-'20, heads the Holy Name Society at the Precious Blood parish in Ft. Wayne for the year 1953 . . . Major and Mrs. **Joseph H. Gigandet**, ex-'39, who now live at 2945 S. Dinwiddie, Arlington, Va., announce the arrival of Baby Maureen on Dec. 23 . . . **Rt. Rev. Monsignor Matthias F. Heyker**, '19, has been appointed rector of Holy Spirit Chapel, Cincinnati . . . Through alumni letter correspondence we have received notice of the deaths of the following: **Thomas E. Dunbar**, ex-'43, **John Pastva**, ex-'32, and **Robert F. Peele**, ex-'00 . . . The Louisville Defender, a Negro weekly, has named **Father Alfred F. Horrigan**, '34, president of Bellarmine College, to the 1952 Honor Roll for his "forthright stand against racial discrimination." He was one of three white persons to receive the honor . . . **James R. Bates**, ex-'51, expects to finish law school at Georgetown in June . . . In a letter giving the Alumni office a change in the home address of **Michael J. Ryan**, ex-'54, his mother states that Mike is now a Petty Officer, 3rd class, at the U. S. Naval Aviation School at Quonset Point, R. I. . . . Like many mothers, Mrs. Ryan sees that CONTACT goes on to her son at his military address . . . Across the county line in Pulaski County, at the Pulaski High School, **Francis "Ted" Bauer**, '49, is causing coaches in the County league to sit up and take notice of his Yellow Jackets. One of the unkindest cuts the Red Head has administered is a pair of trouncings to his home town high at Monterey . . . **Donald J. Lusk**, ex-'53, was married to Miss Joanne Brosnan at St. Philip Neri church in Chicago on Dec. 27 . . . **Father Al Reyman, M.M.**, '42, sailed for the mission fields in Guatemala on Jan 8 . . . As the Northern Indiana sales representative for the U. S. Industrial Chemicals Co., **William J. A silver jubilee program presented for **Father Robert Ruffing**, '22, by the children of St. Mary's School, Mansfield, Ohio, also served as his farewell before leaving for Fostoria in January to become pastor of St. Wendelin's parish . . . Dental officer **Ralph C. Cagers Win Title Tie; Scharf Also Gets Award

Not until the last second of the last game—when Sophomore Willie Kellogg's two free throws broke a 73-73 tie with Valparaiso—were Puma fans and players to bask in the limelight of a conference championship. By winning seven of 10 Indiana Collegiate conference games, the Pumas of Dick Scharf, '38, tied Butler for the title.

Winning 13 of 23 games, excluding the 80-58 win over the Alumni, St. Joe enjoyed its best season since 1941-'42, when the Pumas won 14 and lost 11.

Mr. Scharf later was named Indiana Conference Coach of the Year in a vote among the conference coaches.

In the ICC, St. Joe defeated Valparaiso and Ball State each twice and Butler, Indiana State, and Evansville each once. In the Midlands conference, from which St. Joe will depart as of June, 1954, the Pumas split pairs of games with St. Ambrose, St. Norbert, and Lewis and lost twice to Loras. Non-conference wins were over Franklin, Chicago Teachers, and Wabash; losses were to Great Lakes and Wabash.

Here is a recap of some of the Pumas' more significant game this season:

ST. JOE 82, FRANKLIN 67
The Grizzlies had the advantage for almost a half before Merki, Elbert, Dwyer, and Kellogg all opened up in the third period for 26 points and a 10-point lead. Dwyer led with 21, Kellogg had 18.

ST. JOE 70, ST. NORBERT 68
This was a berald of things to come as the Pumas played second best until the last quarter, going into which they trailed, 48-45. Led by Dwyer, Kellogg, O'Brien, and Reutebuch, St. Joe slammed in 25 points to the Knights' 20. Elbert led with 20.

ST. JOE 59, ST. AMBROSE 52
Bernie Boff's four second-quarter fielders helped the Pumas to a 21-point period and a halftime lead of 34-27 after a slow first quarter. But the Bees of Bob Duax, '41, trailed by only one at the quarter, 45-44, then fell back in the final period. Dwyer was high with 21.

LORAS 71, ST. JOE 70
A rough game which saw Boyd Reutebuch suffer a compound fracture of the right forearm when he was rammed into a basket support while attempting a lay-up in the third period. He had made 13 points. Jittery now, the Pumas blew a 59-49 last-quarter lead as Loras' 22 points doubled the Pumas' output in that period. Kellogg's 17 and Merki's 16 were high but not high enough.

ST. JOE 78, CHI. TEACHERS 67
One of the few games of the season that followed a steady pattern. St. Joe led at all quarters, took a wide lead in the last period and coasted a little at the end. Of Elbert's 26 points, 20 were in the last half.

ST. JOE 74, LEWIS 66
After an even first quarter, St. Joe opened up to a seven-point lead at the half and maintained it through the third and fourth quarters. Dwyer scored 18, Boff 16, and Merki 15.

ST. JOE 72, BUTLER 57
Victors over Purdue, Iowa, and Michigan, among others, the Bull-

Three Pumas On Loop Teams

Jack Dwyer, senior forward, has been named to the all-Indiana Collegiate Conference team, adding another honor to his list which already includes the four-year Puma scoring record (first St. Joe player to reach 1000 points), district All-Catholic All-American, and captain and most valuable player for the second consecutive season.

Along with Dwyer, others named to the ICC dream team were sophomore forward Keith

Two basketball scoring records of long standing were broken this last season:

Senior Jack Dwyer, whose 339 points boosted his four-year total to 1,067, now holds the Puma career record formerly held by Bernie Hoffman, '43, Jasper, Ind., who made 952 points from 1939 to 1943.

Sophomore Don Merki, who scored 394 points in 23 games this season, now holds the one-year scoring record formerly held by Neal Mosser, ex-'43, who scored 364 points in the 1940-'41 season.

Greave of Butler; junior Don Bielke, Valparaiso center; senior Roger Adkins, Indiana State guard; and sophomore Jack Cross, guard from Ball State.

On the honorable mention list, St. Joe placed top scorer Don Merki.

Midlands
St. Joe placed three men on the first two teams as the final all-Midlands ballots were compiled. Jack Dwyer; Tom Seekamp and Bob Cannady of St. Ambrose; Les Teeing of Loras; and Jerry Drella of Lewis copped first team honors.

Don Merki, and Willie Kellogg of St. Joe teamed with Pat Callaban of Lewis, Jim Fay of St. Ambrose, and Jim Ritchay of St. Norbert's for the second five.

dogs were on their way to another win as they led, 36-25, at the half. But inspired third-quarter shooting by Elbert and Merki, plus excellent floor play by Gehring, Dwyer, and Kellogg, put St. Joe ahead, 51-48, at the quarter. They added 21 more in the last quarter, while Butler made but nine, to win handily.

Elbert scored 18 of his 21 and Merki 17 of his 20 points in that last half. It was St. Joe's first win over Butler, and the fans demonstrated wildly afterward.

ST. JOE 94, WABASH 81

Last Year's Graduates Donate Display Case

A 20-page, metal-frame bulletin board, the gift of the class of 1952, now adorns the wall of the field house lobby and will soon be filled with pictures of St. Joe athletic teams of the present and past.

Each of the 20 sides of the leaf-type display is 25 inches wide and 42½ inches deep. There is room in the holder for 10 more leaves.

The case has a display area of more than 147 square feet with a potential of twice that figure when the holder is filled to capacity.

47-47, at the third quarter, 64-64 at the end of regulation time on Boff's last-seconds hook shot, and 74-74 at the end of the first overtime.

In the second five-minutes, St. Joe fired in 20 points, nine by Elbert, for the 13-point victory. Elbert led with 24, Merki was next with 21.

ST. JOE 78, BALL STATE 72

This time the opposition had only a nine-point lead at the half, which the Scharfmen turned around to a 60-56 lead going into the last quarter. The Pumas maintained their slim advantage until the end.

Especially delightful was the fact that this was a road game and that this was the third time in the same week that St. Joe came from behind to triumph. Merki and Dwyer scored 21 and 17.

Joseph Pawlowski, Star at Illinois, Signs as Puma Head Football Coach

Joseph G. Pawlowski, athletic director and football, track, and wrestling coach at Paxton, Ill., high school since 1950, has been named football coach at St. Joseph's College, the Very Rev. Raphael H. Gross, president, has announced.

JOSEPH G. PAWLOWSKI

Mr. Pawlowski succeeds Gene Fetter and will arrive after Easter to conduct spring practice. Mr. Fetter, who coached the Pumas for the last three seasons, has signed as a line coach at Arizona State College at Tempe. There he rejoins Head Coach Clyde Smith, with whom Mr. Fetter was associated at Indiana University before coming to St. Joseph's in 1950.

A native of Aurora, Ill., where he attended East Aurora high school, Mr. Pawlowski went to the University of Illinois, winning varsity letters at guard in 1940, 1941, and 1942. He was coached there by Bob Zuppke and Ray Elliot.

He participated in the North-South All-Star game at Birmingham, Ala., in 1942 and played against the Green Bay Packers in the 1945 College All-Star game in Soldier Field, Chicago. One of his teammates in the latter game was End Nick Scollard, pre-war star at St. Joseph's.

Alumnus Helps To Shoe Squad

ST. JOE 85, EVANSVILLE 84

Ahead most of the first half, St. Joe led by 12 in the third quarter when the Aces roared back to tie at 57-57. Then it was nip and tuck for a while and the Aces took a 77-71 lead with four minutes to go. The Pumas scored 10 straight points, but E'ville came back again and took an

Spring Formal Set for May 9; Decorators Start After Easter

Juniors will roll up their shirt sleeves and begin decoration work in earnest after Easter for their annual Prom.

In a class meeting last Wednesday, Prom chairman George Kuhn announced that the decorations crew and the whole class would be called upon to begin construction of the "Serenade in Blue" scenery for the May 9 affair.

Schedule Set Up

According to Kuhn, a schedule has been set up which, if followed, will ensure the re-conversion of the fieldhouse in plenty of time.

One time-saver will be the absence of the customary false ceiling, previously used to hide the rafter-and-beam topside of the gym. In its place, going along on an open-air tangent, the third-years will create a starry heaven with blue Christmas bulbs twinkling their star-

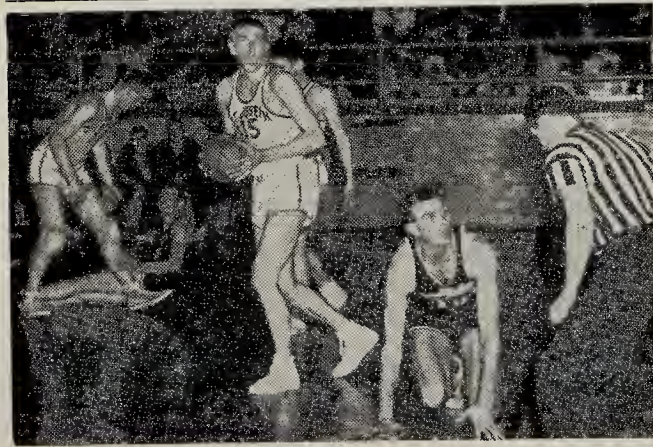

light beauty to the dancers.

A ceiling will be used, however, for the crosswalk between the entrance and the Prom's main piece de resistance, a summer patio, situated between the two basketball courts.

Committees Start Work

Other committees besides the decorations group have already started work on their phase of the project. One novel development has occurred in the tuxedos. Tux chairman Phil Menna has indicated that Prom-goers this year will have their choice of a black, white, or powder blue costume instead of the all-white affair used the past two years.

No band has yet been chosen.

"On your mark!" says the ref to a Great Lakes cager who thinks he's in a track meet, while ball-holding Bill Elbert sings a little song. At left, Lakes star Carl McNulty pulls Merki's leg for attention to tell him a sea story probably. But it wasn't a three-ring circus actually, as the Pumas went down, 70-69.

Married Grads Rank High
In Recent U. S. Family Survey

C.P.P.S. Priests
Note Changes

Married St. Joe graduates of the class of 1942, with an average of 2.12 children apiece, rank a high seventh in that category in a listing of 1942 male graduates from 120 other United States colleges and universities.

This was revealed in a survey taken recently among 16,000 alumni by the Population Reference Bureau of Washington, D. C. (The Bureau is a non-profit educational organization founded in 1929 to study population problems.)

The Rev. Joseph F. Scheuer, '40, instructor in sociology, now on leave for graduate study at Fordham University, served as local correspondent for the Bureau and administered the poll of the class by mail.

Compare '42 with '27

The complete survey of the Bureau constituted a comparison of the number of children born to 1942 graduates with those born to graduates 15 years their senior, the class of 1927. St. Joseph's submitted no data for the 1927 tabulation since at that time the college admitted only priesthood students.

Other figures show that of the 85 1942 St. Joe graduates, 54 men (64%) responded to the survey. Of the 54 who responded, 50

typical, the 103,000 who graduated from college in 1927 in the United States will bequeath to the next generation only 79,000 children."

St. Xavier Women Lead

Alumnae from St. Xavier College, Chicago, capture the lead among 131 classes of women graduates of the class of 1942 with 2.12 children apiece, or 3.45 children for each parent. Next in line are women from Kansas Wesleyan, Pacific University, and St. Mary's College, Notre Dame, the last named with 1.81 children for each reporting graduate.

In the men's survey, top honors for the most familyful class of 1942 go to Brigham Young University, whose 59 reporting alumni tell of 2.58 children apiece, or 2.87 children for each parent. Other schools whose 1942 classes rank above St. Joe's are Calvin, Mich., Goshen, Ind., St. Joseph's, Penna., Fort Hays, Kansas State, and Loyola University of the South.

Figures on marriage show no

Following is a comparison of the reproductive accomplishments of St. Joseph's 1942 graduates with those of the 1942 male graduates from the 120 other colleges participating in the survey. Included also are the national figures for men of the class of 1927 (for which year St. Joseph's did not submit data) and for women of both the class of 1927 and of 1942. Note that the 1942 graduates already closely approach, after 10 years, the marks set by their elders in 25 years.

(93%) are married. Forty-three of these 50 marriages (86%) have produced at least one child each.

Further Bureau averages show 1.96 children for each of the 54 reporting St. Joe graduates. Excluding the unmarried grads from the computation, the average increases to 2.12 children for each married graduate, or 2.47 children for each married grad who is a parent. In the last category (2.47), St. Joe's '42 alumni rank fifth in the 121-school ranking.

Regarding the 1942 figures, the Bureau comments: "This group may be the first in the recent history of American colleges to produce enough children to replace themselves."

Since the Bureau estimates that 2.1 children per graduate are needed for replacement, "These averages would indicate that the cream is being skimmed from the milk. For, if these figures are

decline, according to Bureau findings: 11% of the men graduating in 1942 have not married (7% for St. Joe); 25% of the women have remained unmarried. Of the married men, 84% have become fathers (86% for St. Joe 1942 grads) and 94% of the wives have become mothers.

National Rate Also Rises

As in the Population Reference Bureau's findings for college graduates, the U. S. Census Bureau, in a 1947 sampling, found a rise in the nation's birth rate over the past 15 years. This rise was greater among the high school and college educated groups than among the less educated, said the Census Bureau.

Of its own results the Population Reference Bureau commented: "Unfortunately, we found that our nation is faced with the problem of shrinking families among the people of accomplishment, the best educated parts of the population have fewer children, the task of raising families being left more to the less-educated citizens. The future generation is coming chiefly from those who have neither the heredity nor the environment that could be given by college graduates to their children."

Concluding, the Bureau said: "On the hopeful side is the steady increase among the 10-year classes of 1936 to 1942. In addition, there is more and more evidence that the problem of a low birth rate among educated people is being recognized."

This year's was the seventh annual study of this nature among the 10-year and the 25-year graduating classes.

Commented the Rev. James Quinn, '35, editor of Our Sunday Visitor's Lafayette edition:

"Bishop-elect Danehy was an excellent student at the college. But what remains brightest in our memory of those days was his all-around performance on the basketball court and on the playing fields. When he drove in for a lay-up shot we thought he was going through the wall of the old St. Joe gym. He will also be remembered for hitting a home run through the window of what was then known as Turner Hall, no mean feat."

Staucet Rates
Assist for Gil

There was a reunion in Albany when First Baseman Gil Hodges, ex-'45, of the Brooklyn Dodgers and Shortstop Frankie Staucet, '49, of the Albany Senators and two other major league stars participated in the annual Hot Stove League Night for the benefit of Albany's March of Dimes polio drive.

Says Sporting News Weekly: "It was a minor leaguer who stole the show . . . Staucet hit the spot when he appealed for justice to his former roommate . . ." at St. Joe, Gil Hodges.

Staucet's talk recalled their playing days at St. Joe when he and the Dodger first sacker played alongside each other at short and third.

He added that Hodges had driven in more than 100 runs in each of the last four seasons with Brooklyn, had averaged 30 homers and 100 bases on balls, and is considered a dangerous threat both offensively and defensively.

Other player-speakers were Eddie Waitkus and Gil MacDougald. Also present were club administrators, sports editors, and sports broadcasters.

free tosses in the last seconds were anticlimactic. (Butler beat Valpo this evening, thereby gaining at least a tie in the ICC.)

ST. JOE 66, VALPARAISO 64

Even the dance band was included in the large student delegation that went to Valpo. Needing this one to keep title-tie hopes alive, St. Joe in the third period overcame a lead which at one time was 10 points.

Ahead 59-55 at the quarter, the Pumas played conservatively in the last period, scoring seven points while Valpo made nine. O'Brien's lay-in shot with 45 seconds left was the clincher. It was the first win over Valpo in six games. Dwyer scored 16, Merki 15.

ST. JOE 75, VALPARAISO 73

Many had given this up for lost when the Crusaders, having led since the opening minutes, once by 10 points, still led, 69-62, with four minutes left. But nobody told 5-9 Willie Kellogg who sank three baskets, the third of which was a steal at mid-floor and a crowd-raising race to the basket to put St. Joe ahead, 73-72.

Valpo tied the score with a free throw, and as the Pumas took the ball downcourt Kellogg was fouled just as the clock was zeroed-in indicating the end of regulation time. He swished both for the two-point win.

After **Coach Dick Scharf**, '38, slid off the shoulders of the howling fans on the night of March 3, and had a good night's rest, we subjected him to some questions on his basketball career, hoping to give alumni, and coaches in particular, the formula for producing a winner. The secret seems to be hard work and plenty of it.

Q. How do you feel, being co-champ of the Indiana College Conference?

A. Honestly, it is a great feeling, especially since we defeated Butler here and tied them for the championship in our last game. This year we averaged 72 points a game, compared to 67 last year and 59 the previous season, my first with the Pumas.

Q. Did anything top that victory over Butler as the greatest thrill in the 24-game stretch?

A. Although we had plenty of tough ones, I believe that victory over Butler did give me the greatest thrill of the season, in fact the top one of my coaching career.

Q. Did you discover some "victory tonic" or what do you feel made this Puma squad so successful?

A. The team's attitude, fighting spirit and that undying desire to win, plus team work, did the trick. Our boys just never felt they were going to lose.

Q. What would you say was the hardest game of the year?

A. In spite of a double-overtime victory among those 14 wins, I feel that the clincher, championship game was our toughest. Valpo, with deadly rebounding and shooting, never let up, and it took all we had to edge them out.

Q. Did this season resemble in anyway your best playing days of '37-'38 when St. Joe won 10 of 17 games?

A. Rules and scoring have changed so much that it is hard to compare, but St. Joe played a hard schedule then also, and we had plenty of thrills, too. It was a pleasure indeed to play with such scrappers as **Barney Badke**, '39, **Ray Michalewicz**, ex-'40, **Jerry Yocis**, '40, **Butch Jones**, '39, and **John McCarthy**, '38, on the team.

Q. Would you like to stack this team against the '39-'40 "tournament" outfit which copped 16 of 23 games?

A. Yes I'd like to be able to send my boys against that squad. It would likely be a hassle of rebounders and pivot men, with such stalwarts as **Bernie Hoffman**, 43, **Neal Mosser**, ex-'43, **Urban Pfeffer**, ex-'43, and Co. furnishing the opposition.

Q. In all your colorful playing days, from '34 to '38, what was your greatest thrill?

A. Our 30-23 victory over the Notre Dame "B's" to wind up the '35-'36 season was actually my greatest thrill as a St. Joe player. I want to give credit for assists to all the team that night, especially to **Barney Badke**, '39, and **Al Van Nevel**, '38, for being able to score 16 points. I'll never forget it. And, that night I met Kay (Mrs. Scharf) the first time.

Q. Remembering the All-time St. Joe squad we picked a few years ago, do you think any of these boys will be after your spot or other places on that mythical outfit?

A. I am happy and proud to make your all-time squad. I think **Jack Dwyer**, a great pivot man and an outstanding "clutch" player, deserves a place on the starting five. There are some undergraduates on this squad who may merit places on that select group if they continue to play championship basketball.
